Comments.

1. An increase of 125,000 tons over previous estimates.
2. An increase of 300,000 tons over previous estimates.
3. An increase of 388,750 tons over previous estimates, even excluding the SAG steel production which was not previously considered.
4. An increase of 300,000 tons over previous estimates, also without considering the SAG production.
